## Holiday Edition

December, 2020

Just a note this month - our annual Holiday Social was originally scheduled for this afternoon; since we aren't able to get together this year, I thought I would send along some pictures of past years' gatherings - until we can meet next year for some holiday music, a cookie and a cup of wassail, some great conversation, and maybe even a hot chocolate bar!!

Best wishes for a HAPPY and HEALTHY holiday season, *Joyce Schafbruch*

### Giving is in the Air

The interest groups have been busy this fall finding ways to safely give back to our community with donations of food, supplies, gas cards, bus tickets and preparing food. Donations of gifts or time have been made to YSS, Food Bank, Food at First, Bethesda Food Pantry, and MICA.

Gifts for YSS from G.I.V.E

Backpack kits for YSS' Children and Families in Transition from Armchair Travelers Evening

Spice Girls committed to 24 Days of Giving with groceries for MICA to help with food insecurity.
